Aloha Howard,

Mahalo for your generous sponsorship of the YMCA of Honolulu 5th Annual Healthy Kids Day. Because of you and your sponsorship it was a tremendous success! Every year the event succeeds in reaching out to many of Oahu health seekers. This year was exceptional with a 46% increase in attendance! The Y is very grateful for the support you provided.

At our 2013 YMCA Healthy Kids Day, you made the following happen:

- 6,635 attendees learned new and enjoyable ways to adopt a healthier lifestyle.
- 41 community partners and participating government organizations joined together and shared their health and wellness causes with the public.
- Children and families learned the importance of play and finding new ways to become healthier as a family.

If you were busy in your booth all day and did not get a chance to see the events, I have enclosed a simple photo collage and a copy of program for you.

Thank you again for your ongoing and continual support of the Y. If you have any questions about the mission or the programs we offer, please do not hesitate to me at 541-5466 or kcoarsey@ymcahonolulu.org.

We look forward to working with you again at the 2014 Healthy Kids Day.

Mahalo,

 Mahalo!
