Dear Howard,

Thanks to your generous sponsorship, the YMCA of Honolulu held our 3<sup>rd</sup> Annual YMCA Healthy Kids Day at the Bishop Museum on Saturday, April 16. It was a tremendous success!

- Close to 5,000 attendees learned new and enjoyable ways to adopt a healthier lifestyle.
- 31 community partners and participating government organizations had a chance to share their health and wellness causes with the public.
- Children and families learned the importance of play and found new ways to become healthier as a family.

The 2011 YMCA Healthy Kids Day was a free, fun-filled day of activities designed to promote healthy kids and families. This annual community-based event introduces the whole 'ohana to an array of ways to live a healthy lifestyle—an essential lesson for children as they grow up. Your financial sponsorship was truly appreciated and helped to make this opportunity for our community possible.

Mahalo for your ongoing and continual support of the YMCA of Honolulu. If you have any questions about the YMCA of Honolulu or its programs, please do not hesitate to contact Kent Coarsey, Director of Philanthropy at 541-5466 or [kcoarsey@ymcahonolulu.org](mailto:kcoarsey@ymcahonolulu.org).
