Aloha Howard,

Mahalo for your generous sponsorship of the YMCA of Honolulu 4th Annual Healthy Kids Day. Because of you it was a tremendous success! Every year the event succeeds in reaching out to many of Oahu health seekers. This year was no different and the Y is tremendously grateful for the support you provided.

At our 2012 YMCA Healthy Kids Day, you made the following happen:

- Nearly 5,000 attendees learned new and enjoyable ways to adopt a healthier lifestyle.
- 31 community partners and participating government organizations joined together and shared their health and wellness causes with the public.
- Children and families learned the importance of play and finding new ways to become healthier as a family.

The 2012 YMCA Healthy Kids Day was a free, fun-filled day of activities designed to promote healthy kids and families. This annual community-based event introduces the whole 'ohana to an array of ways to live a healthy lifestyle—an essential lesson for children as they grow up.

Thank you for your ongoing and continual support of the Y. If you have any questions about the mission or the programs we offer, please do not hesitate to contact me at 541-5466 or kcoarsey@ymcahonolulu.org.

I look forward to working with you again at the 2013 Healthy Kids Day.

Mahalo,

C. Kent Coarsey
